Affordable Housing Policies and Requirements

Old Tappan Borough

Bergen County, New Jersey

For All Applicants

This is an equal housing opportunity. Federal law prohibits discrimination against any person making application to buy or rent a home with regard to age, race, religion, national origin, sex, handicapped or familial status. State law prohibits discrimination on the basis of race, creed, color, national origin, ancestry, nationality, marital or domestic partnership or civil union status, familial status, sex, gender identity or expression, affectional or sexual orientation, disability, source of lawful income or source of lawful rent payment.

- ✓ This affordable housing must be the intended primary residence of the applicant.
- ✓ All household members, including the applicant's spouse, must be listed in the Preliminary Application. If changes in income or household composition occur during the application process, or if there is a change of address, the applicant is required to notify Piazza & Associates, Inc. in writing, immediately.
- Applications must be truthful, complete and accurate. Any false statement makes the application null and void, and subjects the applicant to penalties imposed by law.
- ✓ Annual Income includes, but is not limited to, salary or wages, alimony, child support, social security benefits, unemployment benefits, pensions, business income, and actual or imputed earnings from assets (which include bank accounts, certificates of deposit, stocks, bonds, or other securities), and real estate.
- ✓ A preference will be given to households that live or work in Bergen, Hudson, Passaic or Sussex Counties.
- If you own a home in which you are currently residing and which you intend to sell prior to living in an affordable home, compute your income from this asset by taking the market value of your home, subtracting the mortgage principal, and multiplying the balance by the current "Passbook Savings Rate" published by HUD. Income from other real estate holdings is determined by the actual income you receive from the asset (less expenses, but not less your mortgage principal payment). If you have no outstanding mortgage debt, the value of your home will be subject to a maximum appraised value limit, which, when exceeded, may disqualify you from this affordable housing program.
- Specific documentation to verify income and assets, as well as a letter of prequalification for mortgage financing from a licensed lending institution be required at a later date.
- Please understand that the pricing and rental rates for this affordable housing are established and governed by Federal, State and / or municipal regulations. Although consideration is made for low-and moderate- categories of household incomes, sales prices do not fluctuate on the basis of each individual applicant's income. Therefore, we can not and do not guarantee that any home will be affordable to YOU or YOUR household.
- We do not provide financing to purchase affordable homes. Financing for an affordable home is subject to terms and conditions set forth by the State of New Jersey. Monthly payments, including principal, interest, property taxes, insurance and condominium fees, may not exceed 33% of your income without the applicant receiving home-buyer counseling by an agency approved by HUD or the N. J. Department of Banking and Insurance, which details the advisability of such a mortgage loan. For a list of approved counseling agencies, contact HUD, the N. J. Department of Banking and Insurance or our website: HousingQuest.com.
